

**MULUNGUSHI UNIVERSITY**

**Pursuing the frontiers of knowledge**

## **PRESS STATEMENT**

### **BEWARE OF FRAUDSTERS-STUDENT LOAN OR BURSARIES**

Mulungushi University Management has learnt that there are unknown people who are purporting to offer bursaries to Mulungushi University students at a fee of K3,800. Be wary of these con men, they are thieves who just want to steal from you. The University has not sent any such messages to members of the general public.

Furthermore, we would like to enlighten the general public that Mulungushi University first year students can only apply for a government loan through the Higher Education Loans and Scholarship Board. The Loans Board, and not Mulungushi University, does advertise the availability of such loans under its own terms and conditions. Students only qualify for such loans after admission to Mulungushi University.

The public is also hereby advised to ignore these messages completely. Mulungushi University will not be liable for any loss or damages that any member of the public will suffer.
